45333T	12" x 10"	POP DISPLAY OF 30 TUBS	30	65.0	032628453333	87
45337	12" x 10"	THIN TUB -25 PER TUB				

Product No.	Size	Description	Ctn. Qty.	Ctn. Wt.	U.P.C. Code	MSDS
<b>BOILER LIQUID</b>						
• Seals and repairs cracks and leaks in steam and hot water systems			• No odors - no priming - no foaming			
30115	1 qt.	STOP LEAK	12	29.2	032628301153	30
30120	1 gal.	STOP LEAK	6	56.9	032628301207	30
30125	5 gal.	STOP LEAK	1	47.9	032628301252	30

<b>BASE HIT™ II</b>						
• Seals and prevents leaks in ferrous, non-ferrous and radiant tube hydronic systems.			• Works fast and does not clog			
30213	12 oz.	STOP LEAK	12	12.0	032628302013	29
30206	1 gal.	STOP LEAK	6	58.0	032628302068	29
30214	5 gal.	STOP LEAK	1	46.0	032628302143	29

<b>BOILER SOLDER</b>						
• Powdered stop-leak works quickly			• Resists high pressure and temperature			
• No odors; petroleum-free			• Will not clog			
30310	1 lb.	STOP LEAK	12	14.5	032628303102	31
30315	50 lb.	STOP LEAK	1	53.8	032628303157	31

<b>SCOUT™</b>						
• Non-toxic, odorless steam boiler cleaner			• Contains fast acting Trisodium Phosphate (TSP)			
35100	113 gram.	BOILER CLEANER	12	5.0	032628351004	34

<b>BLOT-O™ AIR</b>						
• Aerosol formula to eliminate odors			• Contains no CFCs or other chlorinated ingredients			
35150	16 oz.	AEROSOL CAN	12	15.6	032628351509	99

<b>BLOT-O™ PLUS</b>						
• Fuel absorber for cleaning spills			• Absorbs eight times its volume of fuel oil			
• Sweet fragrance eliminates odor						
35152	15 lb.	REUSABLE PLASTIC PAIL	1	15.0	032628351523	100
35155	19 oz.	SHAKER TOP CAN	12	15.6	032628351554	100

<b>ELECTRICAL CONTACT CLEANER</b>						
• Combination of solvents and propellants			• No rinse required			
• Removes oil, dirt and moisture from small electrical equipment controls, ignition systems, motors, relays and thermostats						
35180	11 oz.	AEROSOL CAN	12	12.6	032628351806	103

<b>FAST DRY DEGREASER</b>						
• Non-foaming, fast-drying cleaner/degreaser			• No CFC's, no petroleum distillates and is non-chlorinated			
• Safe on most plastic, masonry and metal equipment and refrigeration coils						
35182	16 oz.	AEROSOL CAN	12	15.6	032628351820	102

<b>CITRUS FOAM DEGREASER</b>						
• General purpose cleaner/degreaser			• Aggressive foaming action			
• Simple water rinse			• Non-corrosive and contains no petroleum distillates, caustics or acids			
35185	17 oz.	AEROSOL CAN	12	16.6	032628351851	101

<b>CONDENSER COIL CLEANER</b>						
• Strips off dirt and grease without a water rinse			• Quick drying solvent; evaporates quickly			
35188	16 oz.	AEROSOL CAN	12	15.6	032628351882	104

Product No.	Size	Description	Ctn. Qty.	Ctn. Wt.	U.P.C. Code	MSDS
<b>BOILER AND HEATING SYSTEM CLEANER</b>						
• Liquid cleaner and corrosion preventative treatment			• Helps maximize boiler efficiency			
35206	1 qt.		12	27.7	032628352063	35
35211	1 gal.		6	58.0	032628352117	35
35216	5 gal.		1	45.4	032628352162	35

**CRYO-TEK ORIGINAL**

• For use in ornamental fountains, snow melting, etc			• Specific dilutions for various applications			
• Blue liquid						
35253	1 gal.		6	53.2	032628352537	41
35260	5 gal.		1	46.0	032628352605	41
35267	55 gal.		1	518.0	032628352674	41
35271		TEST KIT, 6 - 10 PACKS	6	0.3	032628352711	999
35276	8 oz.	UNIVERSAL INHIBITOR	24	5.3	032628352766	75
35290		REFRACTOMETER	1	0.3	032628352902	999
35272		PH TEST METER	1	0.3	032628352726	

**CRYO-TEK AG**

• Concentrated "arctic grade" anti-freeze solution			• 100% pure virgin propylene glycol/triple protection inhibitor package			
• Not for use in boilers with aluminum heat exchangers						
• Blue Liquid						
35282	1 gal.		6	54.4	032628352827	42
35285	5 gal.		1	44.9	032628352858	42
35288	30 gal.		1	283.0	032628352889	42
35289	55 gal.		1	522.0	032628352896	42

**CRYO-TEK™-100**

• Contains virgin (not recycled) propylene glycol with triple protection corrosion inhibitor			• Pre-mixed ready to use formulation			
			• Pink Liquid			
35281	1 gal.		6	54.0	032628352810	40
35284	5 gal.		1	45.0	032628352841	40
35286	30 gal.		1	286.0	032628352865	40
35287	55 gal.		1	520.0	032628352872	40

**CRYO-TEK™-100/AL FOR ALUMINUM**

• Special formula for aluminum boilers			• Orange Liquid			
35283	5 gal.	ORANGE CONTAINER	1	45.0	032628352834	40

**POWER FLOW™**

• Fuel oil additive			• Prevents waxing and gelling of oil			
• Packaged for one shot application			• Minimizes breakdowns by cleaning clogged lines, strainers, nozzles, pumps and burners			
35302	1 pt.		24	27.0	032628353022	88

**SLUDGE TREAT**

• Helps eliminate burner breakdown from sludge and water in fuel oil and tanks			• Increases fuel tank life			
			• Prevents tank corrosion, sludge formation and winter freeze-ups			
35310	1 qt.		12	26.2	032628353107	36
35315	1 gal.		6	50.3	032628353152	36
35320	5 gal.		1	39.4	032628353206	36

**FLIP-STICK® SOOT DESTROYER**

• Patented formula			• Removes fuel-consuming deposits of soot and carbon from chimneys, flues and heat exchangers			
• Non-explosive; safe and easy to use - just throw entire stick into firebox						
35427	85 g.	DISPLAY	72	19.6	032628354272	37

**HIGH HEAT FURNACE CEMENT**

• Unique patented clean and friendly formula			• Meets OSHA requirements			
• Will not shrink, crack or crumble			• Contains no asbestos or crystalline silica			
35503	1/2 pt.	REGULAR BODY	24	27.0	032628355033	105
35504	1 pt.	REGULAR BODY	12	27.0	032628355040	105
35509	11 oz.	REGULAR BODY - CARTRIDGE	12	18.0	032628355095	105
35515	1/2 gal.	REGULAR BODY	6	53.0	032628355156	105
35521	1/2 gal.	HEAVY BODY	6	53.0	032628355217	106
35526	1 gal.	HEAVY BODY	4	72.0	032628355262	106
